

## **Food Donations Requested at Wilde Lake Interfaith Center**

The Wilde Lake Interfaith Center Congregations (SJU and SJERC) are requesting food donations for Columbia Community Care (CCC) serving Columbia and Howard County. As a result of the COVID-19 pandemic, CCC has been serving our community since March 2020.

**Non-perishable food donations** will be collected during Sunday Mass or can be left in the plastic totes provided outside the WLIFC Office at any time.

The total number and selection of non-perishable items has exceeded all expectations, especially in areas such as canned goods. It is requested that donors consider the following items which are in high demand when making donations:

- personal care items such as: toothpaste, shampoo, bars of bath soap, baby diapers, baby wipes
- sanitary napkins (rather than tampons)
- canned tomatoes, tomato sauce, tomato paste (rather than jars and cans of spaghetti sauce)
- pasta, spaghetti (rather than macaroni and cheese products)
- canned meats including tuna, chicken, corned beef, Spam, Vienna Sausages, canned salmon
- sugar, flour, maseca, rice, cooking oil
- household items such as paper towels and toilet paper

**Expired food cannot be accepted at WLIFC.  
Please do not donate perishable food or clothing.  
Thank you for your generosity!**
