Invite you to be a Messenger of Peace

The Peace Light is a continuous flame originating from the Church of the Nativity in Bethlehem. Each year, a child from Upper Austria fetches the light from the grotto where Jesus was born. The flame, along with its message of peace, is spread by scouts across Europe, North America and beyond during the Advent season.

Those who choose to take the flame home with them should bring an enclosed candle or lantern and a means to safely transport it. In that way, you can share the message of peace with your family and friends. You can safely take the essence of the Peace Light home by extinguishing your candle and relighting it at your destination.

The Peace Light ceremony will be included in the celebration of Catholic Mass.
